About the authors

Drew O. McDaniel. (Ph.D.) is Professor of Telecommunications and Director of Communication and Development Studies, Ohio University. He also serves as a member of the faculty in Southeast Asia Studies. He has been associated with the Asia-Pacific Institute for Broadcasting Development in Kuala Lumpur, Malaysia, since 1981 where he has been responsible for presenting numerous training courses. In 1989-90 he was a Fulbright Southeast Asia Research Fellow. Prior to joining Ohio University he worked in broadcasting in the United States. His latest book, *Electronic Tigers of Southeast Asia: The Politics of Media, Technology and National Development* was published by Iowa State University Press in 2001.

Duncan H. Brown. (Ph.D., University of Illinois) is Associate Professor and Associate Director for Graduate Studies in the School of Telecommunications at Ohio University where he teaches courses in electronic media policy, media industry structures, and the history of mass media research. He previously taught at the University of Maryland and Emerson College in Boston. Before moving to the United States he was a Research Fellow in the Institute of Educational Technology at the Open University in Britain where he worked on the evaluation of television and radio programs produced for the Open University by the BBC. His work has appeared in several edited books and journals such as *Critical Studies in Mass Communication*, and the *Journal of Radio Studies*.
